This course is designed to help the qualified diver
enhance his/her diving skills. Deep Diving,
Navigation, Wreck Diving and more. 5 Adventure
Dives in total.

PADI 15,000 Baht, SSI 13,500 Baht (2 days)

CORAL DIVING

The marine life in the region is made up of a variety of soft and hard
corals and an abundant array of Tropical Fish, Butterflies, Groupers,
Puffers, Angel Fish, Sting Rays and Turtles etc.

Price 3,200 Baht.(2 dives)

WRECK DIVING

HARDEEP The Hardeep Wreck is a World War II cargo ship, a safe
penetration dive due to its large open holds.

HTMS KHRAM This Royal Thai Navy landing craft sunk in 2003 and
lying in 30m of water is already home to a large number of Barracuda,
Batfish, Groupers and Soft Coral Formations. A very large turtle is also a
regular visitor.

HTMS KOOD The sister ship of the Khram and also thriving with
marine life. Max depth 31 meters.

**All other SSI/PADI courses, Tech, Cave, Rebreather Courses,
Private and Speedboat Trips Available.**
